

## **AnoSpEx Project**

AnoSpEx: A Stochastic, Spatially-Explicit Computational Model for Studying *Anopheles* Metapopulation Dynamics

(Project Commenced: September 2010 – Project Ended: June 2011)

### **Publication:**

Oluwagbemi et al., (2013). *AnoSpEx*: A Stochastic, Spatially -Explicit Computational Model for Studying *Anopheles* Metapopulation Dynamics, **PLoS ONE 8(7):e68040**.

<http://journals.plos.org/plosone/article?id=10.1371/journal.pone.0068040>

### **Data:**

Zambia climate weather data

CDC, CBT, mosquito collection data
